## Conference Papers

*(Conference Papers between 2012 and spring 2020 have not been recorded)*

Caetano Penna, Johan Schot, Diana Velasco, Jordi Molas-Gallart 'Transformative Mission-Oriented Policies: a case study of Vinnova and a new design and implementation framework', 12th International Sustainability Transitions Conference, 5-8 October 2021 Karlsruhe (Virtual), Austria

Matias Ramirez, Oscar Romero, Johan Schot and Felbor Arroyave, 'Mobilizing the transformative power of the research system for achieving the Sustainable Development Goals', 17<sup>th</sup> Globelics International Conference 2021, 3-5 November 2021, Heredia, Costa Rica.

Caetano Penna, Johan Schot, Diana Velasco, Jordi Molas-Gallart, "' Transformative" Mission-Oriented Policies" A case study of Vinnova and a new design and implementation framework' at the EU-SPRI 10<sup>th</sup> Anniversary Conference, 9-11 June 2021, Oslo (Virtual), Norway.

Kejia Yang, Johan Schot and Bernhard Truffer, 'Shaping the directionality of sustainability transitions: The diverging development pathways of solar PV in two Chinese provinces' at the 11<sup>th</sup> International Sustainability Transition Conference, (Online Event) 18-21 August 2020, organised by AIT Austrian Institute of Technology, Centre for Innovation Systems & Policy, Vienna University of Economics and Business, Institute for Law and Governance/Research Institute for Urban Management and Governance in association with the Sustainable Transition Research Network (STRN).

Johan Schot, Bipashyee Ghosh, Paula Kivimaa, Jonas Torrens and Matias Ramirez, 'Transformative Outcomes: Assessing and reorienting experimentation with transformative innovation policy' at the 11<sup>th</sup> International Sustainability Transition Conference, (Online Event) 18-21 August 2020, organised by AIT Austrian Institute of Technology, Centre for Innovation Systems & Policy, Vienna University of Economics and Business, Institute for Law and Governance/Research Institute for Urban Management and Governance in association with the Sustainable Transition Research Network (STRN).

Phil Johnstone, Caitriona McLeish and Johan Schot, 'The changing landscape of Deep Transitions: the case of chemical warfare and sociotechnical imprinting' at the 11<sup>th</sup> International Sustainability Transition Conference, (Online Event) 18-21 August 2020, organised by AIT Austrian Institute of Technology, Centre for Innovation Systems & Policy, Vienna University of Economics and Business, Institute for Law and Governance/Research Institute for Urban Management and Governance in association with the Sustainable Transition Research Network (STRN).

Jiri Janac, Johan Schot, Slawomir Ltysz 'Bridging Europeanization and Sovietization for Railways in Cold War Europe', paper at the conference 'Economic Entanglements in East-Central Europe and the COMECON's Position in the Global Economy, 1949-1991', Leipzig, 14-16 November 2012.

Johan Schot 'The Origins of a European Technocracy, or the Governing of Europe by experts', paper presented at 9<sup>th</sup> European Social Science History Conference, 11 April 2012, Glasgow, Scotland.

Johan Schot, 'Cold War Europeanisation of Railway Governance by Experts', paper presented at Exploratory workshop 'How Eastern and Western Europe did meet in International Organizations (1945-1973)? A post-cold war perspective', 24 June 2011, International Research Center IGK 'Work and Life Cycle in Global History' at the Humboldt University, Berlin, Germany.

Johan Schot, 'Experts in Interwar International Machinery. The League of Nations' Organization for Communications and Transit', paper presented at workshop 'Towards a New History of the League of Nations', 25-26 August 2011, Geneva, Switzerland.

Johan Schot and Frank Schipper, 'Experts, their Beliefs and Networks in European Transport Integration, 1945-1958', paper presented at the International Association for the History of Transport, Traffic and Mobility Conference, 5-8 November 2009, Lucerne, Switzerland.

Johan Schot and Frank Schipper, 'Experts, their Beliefs and Networks in European Transport Integration, 1945-1958', paper presented at the ECPR workshop The Role of Transnational Experts in European Integration: Recharging the Debate, 14-19 April 2009, Lisbon, Portugal.

Johan Schot, 'European transport integration after Second World War', paper presented at Padua workshop 'Trends in technological innovation and the European construction: the emerging of enduring dynamics?', 6-7 June 2008, Padua, Italy.

Johan Schot and Frank Geels, 'Path creation, societal embedding and socio-technical transitions: How automobiles entered Dutch society (1898-1970)', paper presented at ECIS workshop "Technological discontinuities and transitions: Evolution theory and inter-disciplinary crossovers", 14-16 May 2008, Eindhoven, The Netherlands.

Johan Schot, Gijs Mom and Frank Geels, 'Path creation, societal embedding and socio-technical transitions: The emergence and diffusion of automobiles in the Netherlands (1898-1970)', paper presented at workshop "Innovation, institutions and path dependence: the management of variation and diversity on innovation systems", 15-18 April 2007, Zurich, Switzerland.

Johan Schot and Frank Geels, 'Strategic Niche Management: Theoretical background and policy considerations', 2-3 October 2006, international expert workshop on 'Sustainable Innovation Journeys', Utrecht, The Netherlands.

Johan Schot and Erik van der Vleuten, 'Infrastructures, Globalisation, and European Integration. A historiographical and Conceptual Exploration', paper presented at Posthumus Conference, 1 September 2005, Het Kasteel, Groningen, The Netherlands.

Johan Schot, Geert Verbong and Frank Geels, 'A long-term historical analysis of path dependencies and changes in the Dutch electricity system: Hindrances and possibilities for future energy transitions', paper presented by Verbong and Geels at 'The 45<sup>th</sup> European Congress of the Regional Science Association, 25 August 2005, Amsterdam, The Netherlands.

Johan Schot and Erik van der Vleuten, 'Transnational Infrastructures and the Rise of Contemporary Europe', paper presented at SHOT 2004, 8 October 2004, Renaissance Amsterdam Hotel, Amsterdam, The Netherlands.

Johan Schot, 'Imagining and Living Europe', paper presented at Dialogue session of First Plenary Conference Tensions of Europe, 20 March 2004, Central European University, Budapest, Hungary.

Johan Schot 'Transnational Infrastructures and the Rise of Contemporary Europe', paper presented at PhD Course Cultures of Technology, 11 September 2003, Centre for technology and society/Department of interdisciplinary studies of culture, Norwegian University of Science and Technology, Norway.

Dick van Lente and Johan Schot 'Technology as Politics: The Shaping of Dutch Society by Engineers, Architects, Town and Regional Planners from the Late Nineteenth Century to the Late Twentieth Century' paper presented at the ICOHTEC conference, 22 August 2003, St. Petersburg, Russia.

Hugo van Driel and Johan Schot 'Socio technological regime shifts in Rotterdam grain handling, paper presented at the ECIS Conference on "The Future of Innovation Studies", Eindhoven, 20-23 September 2001.

Johan Schot and Frank Geels, Emerging Impacts of Technological Change, paper presented at the workshop 'The Rise of Systemic Society', 16 June 2000, Eindhoven organised by the Foundation for the History of Technology (SHT).

Johan Schot, 'Modernity and Technology.' Paper presented at the international workshop Technology and Modernity: the Empirical Turn, Enschede, The Netherlands, 18-20 November 1999.

Johan Schot, 'Methods for contextual history of technology.' Paper presented at the annual meeting of the Society for the History of Technology, Detroit, USA, October 1999

Remco Hoogma and Johan Schot 'How innovative are users? A critique of learning-by-doing and -using.' Paper for the Fifth International ASEAT Conference 'Demands, Markets, Users and Innovation: Sociological and Economic Approaches', Manchester, 14-16 September 1999.

Johan Schot and Adri Albert de la Bruhèze, 'Maakbaarheid en Techniek. De verborgen rol van consumptie en consumenten.' Paper ten behoeve van de conferentie 'Maakbaar Nederland' georganiseerd door de Stichting Maatschappijgeschiedenis op 28 mei 1999 te Amsterdam.

Johan Schot, 'The Usefulness of Evolutionary Models for Explaining Innovation and Suggesting Options for Technology Policy.' Paper for the N.W. Posthumus Seminar 'Technology and Productivity in Historical Perspective', NIAS-Wassenaar, 27-28 May 1999.

Remco Hoogma, Boelie Elzen and Johan Schot, 'Improving the design of EV Experiments', Proceedings of the 15th Electric Vehicle Symposium, Brussel, 1-3 October 1998. Proceedings on CD-Rom.

Boelie Elzen, Johan Schot and Remco Hoogma, 'Managing Socio-Technical Change - How to Design Experiments with Electric Vehicles as a Stepping Stone Towards a Sustainable Transportation System.' Paper for the EASST General Conference "Cultures of Science and Technology - Europe and the Global Context", Lisbon, 1-3 October 1998.

Frank Geels and Johan Schot, 'Reflexive technology policies and sociotechnical scenarios.' Paper presented at the conference 'Constructing tomorrow: Technology strategies for the new millennium', Bristol, 14-15 September 1998.

## Keynotes and Invited Lectures

Invited Speaker: Baillie Gifford Forum for Long Term Thinking, Edinburgh, United Kingdom, 19 April 2022

Invited Speaker: 'Enabling and Navigating the Second Deep Transition', Towards Just and Inclusive Energy Transitions Webinar, Utrecht University International Development Studies Group, The Netherlands, 16 February 2022

Discussant: 'How knowledge can contribute to transformation pathways?', TIPC conference, University of Sussex, United Kingdom (online participation) 20 January 2022

Discussant: 'Transformative Investment Panel', TIPC conference, University of Sussex, United Kingdom (online participation) 19 January 2022

Speaker 'Building a Knowledge Infrastructure on Transformative Innovation Policy' TIPC conference, University of Sussex, United Kingdom (online participation) 18 January 2022

Speaker 'Transformative Innovation Policy for Newcomers' TIPC conference, University of Sussex, United Kingdom (online participation) 17 January 2022

Invited Speaker: 'Mobilizing the power of transformative research for addressing the Sustainable Development Goals', UFPR Global Scientific Conference, Universidade Federal do Paraná, Brazil (online participation) 3 December 2021

Invited Speaker at the Closing Symposium of the Thinkers Cycle 'Verantwoord onderzoek voor duurzame technologische innovatie' organised by the University of Ghent, Belgium, 23 November 2021

Discussant: 'How Transformative Innovation Policy enables us to conceptualise our approach to the Sustainable Development Goals' Transformative Innovation Policy: Perspectives from South Africa Event, (online participation), 15 October 2021

Discussant: 'Transformative Outcomes, a 'Compass' towards transitions and transformative change', Transformative Innovation Policy: Perspectives from South Africa Event, (online participation), 14 October 2021

Invited Speaker: 'Research Challenges to achieve the Sustainable Development Goals', Universidad del Rosario, Bienal de Investigación, (online participation), Columbia, 29 September 2021

Invited Speaker: 'Deep Transitions: Transforming Our World', Network of Early Career Researchers in Sustainability Transitions (NEST) Webinar Series, Fraunhofer Institute for Systems and Innovation Research (ISI), Germany/Utrecht University, The Netherlands, 8<sup>th</sup> July 2021

Invited Speaker: 'Transformative Innovation Policy for enabling a Second Deep Transition', Tapping into an Ideal City of Science, Pujiang Innovation Forum, Technology and Innovation, (online participation) China, 7-8 May 2021

Invited Speaker: 'Understanding Major Urban Transitions. Drivers and Dynamics' Colloquium, Technical University Darmstadt, Germany, 7<sup>th</sup> May 2021

Invited Commentator: 'Mainstreaming the game: digital participator culture and consumer society in the Netherlands (1980-)' N.W. Posthumus Basic Training, Radboud University, Nijmegen, The Netherlands, 6<sup>th</sup> May 2021

Invited Speaker: 'Deep Transitions: Transforming our World', Stadium General TU Eindhoven, The Netherlands 24<sup>th</sup> March 2021.

Invited Panellist, Book discussion session, Bologna Book Club, Italy, 17<sup>th</sup> March 2021

Invited Panellist and Speaker: 'Deep Transitions to a Sustainable World. Learning from History to Image the Future', UHSK Research Parade: History and the Environment, organised by 95ste bestuur des Utrechtse Historische Studentenkrings (2020-2021), (online) Utrecht University, The Netherlands, 19<sup>th</sup> February 2021.

Invited Speaker: 'How can policymakers, funders and game-changers think differently about science, technology, and innovation?' SPRU-India DST Joint Workshop on STI Policy for Transformative Change Meeting, (online) University of Sussex, UK, 18<sup>th</sup> February 2021.

Invited Panellist: The Economic Conference Utrecht 2021 'Green Growth', ECU'92 Conference Committee, (online) Utrecht University, The Netherlands, 17<sup>th</sup> February 2021.

Invited Panellist, SDG Panel Discussion 'The Transformative Potential of the SDGs: The Case of the Netherlands' (online) Utrecht University, The Netherlands, 19<sup>th</sup> January 2021.

Invited Speaker, MIP(O) and TIP(C) Seminar, talk on Transformations and Missions (online), Utrecht University, The Netherlands, 15<sup>th</sup> January 2021.

Guest Lecture 'Transforming our World A Proposition' (online) at PhD Winter School, Netherlands Graduate Research School of Science, Technology and Modern Culture, 14<sup>th</sup> January 2021.

Invited Speaker 'Maximizing the Transitions Opportunities of Europe's Green Deal', EIC Climate KIC 4<sup>th</sup> Innovation Eco-System Workshop, Brussels, Belgium, 9 December 2020.

Johan Schot en Beatrice de Graaf: In Gesprek over de moderne geschiedenis en toekomst van europa, TivoliVredenburg, Utrecht, Nederland, 7 December 2020.

Commentator on Transitional Experiments, TIPC Latin America Hub Learning Week, (online) University of Sussex, UK, 20<sup>th</sup> November 2020.

Invited Keynote Speech 'Narratives of Deep Transitions' Narratives in times of radical transformations Conference (online), TU Berlin, Germany, 20 November 2020.

Facilitator MOTION webinar 'Transition to Green Living, The Barriers and opportunities for sustainable communities' (online), TIPC, Utrecht University/University of Sussex, 18<sup>th</sup> November 2020.

Keynote Lecture 'Building Europe on Infrastructures. A history of navigating politicization & technification', Making Europe through infrastructures of (in) security) Workshop (online), Institut fur Wissenschafts und Technikforschung Department of Science and Technology Studies, University of Vienna, Austria 13<sup>th</sup> November 2020.

Invited Talk 'How can policymakers, funders and game-changers think differently about science, technology and innovation' (online), FACCEJPI Governing Board meeting, 12<sup>th</sup> November 2020.

Keynote Lecture "Navigating Digital Transformation towards a Second Deep Sustainability Transition", China Association for Science and Technology (CAST) Second World Science and Technology Development Forum, organised by TIPC (online), 9<sup>th</sup> November 2020.

Invited Keynote Speech 'Narratives of Deep Transitions' Narratives in times of radical transformations Conference (online), TU Berlin, Germany, 20<sup>th</sup> November 2020.

Keynote Lecture 'Assessing and reorienting experimentation with transformative innovation policy', Transformative Innovation Policy: theoretical foundations, methodologies, policy instruments and practise workshop (online), organised by TIPC, University of Sussex, United Kingdom, 23<sup>rd</sup> October 2020.

Invited Talk 'Introduction to Deep Transitions Thinking & Transformative Innovation Policy', Webinar Política d'innovació transformativa: oportunitats i reptes per a Catalunya, Direcció General de Promoció Econòmica, Competència, Regulació, l'Escola d'Administració Pública de Catalunya (online), 19<sup>th</sup> October 2020.

Interview on Evaluation and metrics for transitions and transformations, TIPC Transformative Metrics workshop, TIPC/Universidad de Antioquia, Columbia (online), 5<sup>th</sup> October 2020.

Invited Speaker at Turning Point 2020: Will it be different this time? *Introduction to Deep Transitions Thinking & Transformative Innovation Policy*, Institut für ökologische Wirtschaftsforschung (online), Berlin, Germany, 25<sup>th</sup> September 2020.

Invited Speaker 'Why do we need Transformation?', Nordic Learning Event, TIPC (online), University of Sussex, United Kingdom, 23<sup>rd</sup> September 2020.

Invited Speaker Royaumont process: International Science Foresight Workshop: Global Challenge and Research Gaps (online) INRAE, France, 9-11<sup>th</sup> September 2020.

Invited Speaker 'Assessing and Re-orienting Experimentation with Transformative Innovation Policy' (based on TIPC working paper with B. Ghosh, P. Kivimaa, M. Ramirez and J. Torrens) IST Conference Parallel sessions: UTT Track: FP 278: Transformative Outcomes: Assessing and reorienting experimentation with transformative innovation policy (online), AIT Austrian Institute of Technology, Centre for Innovation Systems & Policy, 19<sup>th</sup> August 2020.

Speaker 'Introduction to Systems Thinking and Theory of Change Online Training', IST Conference: MOTION Training Event (online), AIT Austrian Institute of Technology, Centre for Innovation Systems & Policy, 18<sup>th</sup> August 2020.

Invited Speaker 'Introduction to Deep Transition thinking & Transformative Innovation Policy', Conversations with the Authors (online), University of Johannesburg, South Africa, 30 July 2020.

Invited Speaker 'TIPC Webinar on Transformative Outcomes (online)', University of Sussex, United Kingdom, 28<sup>th</sup> July 2020.

Invited Speaker 'Implementing Transformative Innovation Policy through Formative Evaluation with Transformative Outcomes' Working Group Understanding and Managing Industrial Transitions: Findings of Reviews of Industrial Transition & Launch of Support Coalitions European Commission Joint Research Centre Directorate B – Growth and Innovation (online), 14-15 July 2020.

Invited Speaker at On the Role of STI in Creating Sustainable and Inclusive Socio-Economic and Environmental Development, 'Insights from the Transformative Innovation Policy Consortium' (online), Department of Science and Technology, Republic of South Africa, 7<sup>th</sup> July 2020.

Invited Speaker 'Addressing the Sustainable Development Goals requires transformations of knowledge production' International Science Foresight Workshop: Global Challenges and Research Gaps: What are the emerging approaches for research and knowledge for transformative change? Which are the gaps? (online), INREA, France, 23<sup>rd</sup> June 2020.

Organiser and speaker Deep Transitions Phase 1 End Workshop (online), Utrecht University, Netherlands and University of Sussex, United Kingdom, 18-20 May 2020.

Chair Deep Transitions Workshop, University of Sussex, United Kingdom 15-17<sup>th</sup> January 2020, Invited Speaker SPRU Seminar, 17<sup>th</sup> January 2020.

Keynote speaker 'Transforming Our World The 4th Industrial Revolution from a Deep Transition Perspective' Innovation Land Summit, National Business Association of Colombia (ANDI), Medellin, Colombia, 20<sup>th</sup> November 2019.

Opening speech, Panellist: TIPC Conference: Towards a Global Research Agenda for Transformative Innovation Policy, TIPC country partners, and research network representatives, INGENIO, Universitat Politècnica de València, Spain, 4<sup>th</sup> November 2019.

Panellist 'Innovation in Research Strengthening Consortium and Partnerships: Reframing Research Innovation to address global challenges for societal welfare,' UK-EA Higher Education Forum 2019, British Council, Kuala Lumpur, Malaysia, 31st October 2019.

Keynote speaker 'Social Innovation and Societal Transformation', 5th Global Research Conference, European School of Social Innovation, Dortmund, Germany, 29<sup>th</sup> October 2019.

Chair 'Transformative Innovation Policy Learning Journey', Pretoria, South Africa, 22-24<sup>th</sup> October 2019.

Guest lecturer: 'Innovación Transformativa para el mundo en Transición', Universidad de Cartagena, Colombia, 18<sup>th</sup> September 2019.

Chair and Speaker 'Transformative Innovation Learning Journey', University of Sussex, UK, 20-23rd May 2019.

Chair and Speaker Deep Transitions workshop, Centre for Global Challenges, Utrecht University, The Netherlands, 13-14<sup>th</sup> May 2019.

Keynote speech 'Transforming Experimentation or how to make experiments more transformative', Finnish Environment Institute, Aalto University, Espoo, Finland, 11<sup>th</sup> April 2019.

Keynote speech 'Transformative Innovation Policy for a Sustainable Europe', Sustainable Europe 2030 Conference, European Political Strategy Centre, Belgium, 8<sup>th</sup> April 2019.

Panellist 'Why do we need interdisciplinary research to address societal challenges?', TIK Anniversary Conference 2019, University of Oslo, Norway, 20<sup>th</sup> March 2019.

Panellist 'Re-visiting Science, Technology and Innovation: Country reviews from a Transformative Change Perspective', Innovation for Transformation Conference, University of Sussex, UK, 4<sup>th</sup> October 2018.

Presentation 'Transformative Innovation Policy, One Year On', Innovation for Transformation Conference, University of Sussex, UK, 3<sup>rd</sup> October 2018.

Panellist: 'Seedbeds, harbours and battlegrounds: on the origins of favourable environments for urban experimentation with sustainability' IST Conference, University of Manchester, UK, 14<sup>th</sup> June 2018.

Panellist 'How do intermediaries advance sustainability transitions? Conceptual insights on intermediary action in different transition phases', IST Conference, University of Manchester, UK, 13<sup>th</sup> June 2018.

Panellist 'Towards a transformative agenda for the Science, Technology and Innovation community: an inter-network dialogue' IST Conference, University of Manchester, UK, 13<sup>th</sup> June 2018.

Panellist 'Implementing STI policies for Societal Changes and Missions Eu-SPRI Conference', Paris, France, 7<sup>th</sup> June 2018.

Panellist 'Long-term dynamics between disruptive innovation and transformative innovation policy: The emergence and consolidation of mobility-as-a-service, Eu-SPRI Conference, Paris, France, 6<sup>th</sup> June 2018.

Presentation 'Investing in a World in Deep Transition', Baillie Gifford LTGG Forum, London, UK, 24<sup>th</sup> May 2018.
